Profile

I am not dependent on any tools. Whenever I need the perfect tool for a specific task, I know how to use new tool. Rather I focus on coding standard by following design and web development. As an developer, I always decompose a large problem into smaller chunks and then solve that part.

Professional Experience

02/2023 — present	**Web Developer (Intern),** *AinoviQ IT Ltd* ⤢ • https://ainoviqit.com/ • https://tryon.ainoviqit.com/	Dhaka, Bangladesh
